

Council Special Events

Scouters Club – January 9, 2015

Westman Area Winter Cub Scout Camp on February 20-22 at camp wannakumbac in Clear Lake Manitoba, still has room for any Cub Scout groups interested. Cost is \$65.00 plus \$1.15 for a crest, includes 5 meals (Sat breakfast-Sun lunch) and activities. Friday evening snack is group's responsibility. Please Contact Kevin Struck at Kevin struck:
kevinstruck@hotmail.com

Put A Necker On It

This contest is open to all scouting groups across the country and we are jumping in! We are tasked with putting a Necker on a local landmark and sending the picture into the contest. Please see the national page or our Manitoba FB page for more details. If you have a good idea for a Necker placement please let Dawn know cdcumming@scouts.cs and we will make every effort to get it there!

Global Bowling Contest

There is a global 10 pin bowling contest that is taking place now through March and all groups/sections are able to join in! All you have to do is register your group/team with Dawn before the end of January (I will register on the national site) for a small fee, order crests if you want them and go 10 pin bowling before the end of March. Record your top 6 bowler's scores to join in the tournament and see the map of youth participating. Scouts from all over the world are taking part and we are the first in Canada to join in. We currently have a team of adult scouters joining as well as the 49th wpg so join in the fun today!

Klondike

The registration package should be out in the next week or so, and we have not finalized the details on how to handle the registrations. Registration deadline is Feb 25 and the cost is \$45.00

Additional info can be found at <http://klondike.shawwebspaces.ca/>. We will be looking for additional volunteers on the event weekend. Best way to let us know if someone is interested in helping out (even for a few hours) is an email to theklondikederby@gmail.com

If groups need help getting ready for the event, they can send an email to theklondikederby@gmail.com and someone from the Klondike Committee will contact them

Museum Sleepovers. There have been several groups looking to do museum sleepovers this year, however to make this event cost effective there are often a large number of youth that need to attend. Would groups be interested in having the council special events team take on offering similar events or continue what we are doing now (helping get the word out for groups organizing the sleepover)?

Polar Pond will be taking place February 21st 2015 and is a winter fun day open to all Beavers and their families. We will be going back to our original format and are looking to book a location that has good indoor and outdoor space. If there are any suggestions of location please let Dawn know ASAP. We will need groups to volunteer to do an activity (3 indoor and 3 outdoor need to be filled). The cost will be \$10 per person and will include activities, lunch, and a crest. Finally we need some theme suggestions, please pass those on to me as well. Registration deadline will be Feb 13th, please send your groups numbers to cdc999@shaw.ca

KubKars/Scout Trucks/Beaver Buggies

A city wide buggy/kar and truck rally will take place on April 18th at Glenwood Community Centre 27 Overton St. More information to follow. The event will be competition and fun based. If you are interested in becoming involved please let Dawn know, cdcumming@shaw.ca.

Good Turn Week (update)

This year we are looking to do a large scale good turn for the city of Winnipeg and we need your help. Our goal is to fill a canoe with items of need for Siloam Mission and portage the whole thing to their building during good turn week. In addition to this we are also looking to challenge the local business community to match our donation and fill a second canoe for us to “carry” in. We are looking for groups willing to commit to joining our good turn efforts by either raising money to purchase needed items, collecting donations, or anything else you can think of to help. Please register your section or group with Dawn to stay up to date on this year’s efforts and how you can be involved!

East Winnipeg All Sections Camp

This camp has been run for several years now and is always open to any groups wanting to attend. This year the date will be June 12-14 2015 and we need to select a theme and location for this year’s camp. All groups who attended last year will be sent email updates and any groups interested in receiving this information should let Dawn know at cdc999@shaw.ca

Quest

July 4th to 15th, Quest 2015 – Blue Lake Provincial Park, Ontario,

- Back country canoeing for 2nd years Scouts and older youth

Saturday, June 13th Quest Pre-camp

- Mandatory if going on Quest
- For more information checkout <http://sites.google.com/site/questmanitoba/pre-camp>
 - Quest.canoeing@gmail.com

Provincial Mini-Jam.

We would like to see if there is any interest in holding an all sections mini jamboree in the province. We would be looking at a weekend (Fri-Sun) and ideally we are thinking end of August or early September, however we are not firm on the month. The goal would to include groups from all over the province as well as all sections and possibly host this event every 2-3 years. Please let us know if this is something of interest to your Scouting Group, and how you would like to be involved in the planning process.
