## **Adventures are even more fun when you Bring a Friend**

Our own Scouting youth are our best ambassadors — it's a great opportunity for kids to introduce their friends to Scouting Adventures. Did you know Scouters can bring a friend too? (a great way to build your volunteer base).

Many current Scouting youth were introduced to the program by a friend, and a Bring A Friend invite is all it takes to give someone their first taste of Scouting fun.

1. Check with your child's Scouter to let them know that you would like to invite a friend to a regular meeting or special event;
2. Depending upon your child's age and Scouting Section, you can select one of the electronic invitations to the right;
3. Fill out the invitation form and include a message. Ask the parent of the youth you're inviting to bring them to the meeting so that they can meet the team of Scouters;
4. Send your e-postcard and you will receive a confirmation email.

How can you make Scouting Adventures even more fun?

Simply Bring a Friend!
